- Informed council that a preliminary budget would be given to them by the middle of May.
- Stated that Mr. Vance is working with Duke Energy regarding the light conversions and rebates.

City Administrator's Comments:

- Informed council that he has been going around to all of the city properties with the Duke Representative that Councilman Honaker recommended to him. Mr. Vance described the incentives that Duke offers for the conversion of fluorescent lights and parking lot lights to LED and the cost to the city.
- He has spoken with Arc Electric regarding the lighting of the flag pole in Veterans Park that Councilman Honaker suggested and they are willing to donate the installation, light and wiring of the light providing that our public works dug the trench hole as needed since it's a veterans memorial.
- He has submitted the permit application to the Kentucky Division of Water. Both permits are required for us to be able to dredge. Discussion ensued regarding the discharge process and future permits.
